

FRC TEAM #4576 RED NATION ROBOTICS

Halls High School
4321 E Emory Road
Knoxville, TN 37938
(865) 922-7757

Dear Future Supporter,

We are contacting you on behalf of Red Nation Robotics. Our team is a part of *FIRST* Robotics which is an organization of people who want to advance the STEM fields. We are looking to work with you for the purpose of helping young men and women increase their knowledge and experience in the field.

Although we run our team efficiently, we do need monetary resources in order to achieve our goal. Partnering with our team will promote your business and increase your standings within our community.

Our team is a known and avid supporter of veterans, *FIRST* For All (supporting all special needs), and Elevating Girls and Young Women in STEM. In essence, we are reaching out to you for an opportunity to help your community and our youth. This is an offer you cannot pass up.

You or your business can partner in any of the following tax-deductible ways: goods, services, food, or money. Sponsorship levels and their benefits are listed below:

Copper: \$100

Your name will be displayed on the Halls High School robotics team sponsors webpage

Bronze: \$250

Copper benefits, plus your name will appear on the team's 2020 competition t-shirts

Silver: \$500

Bronze benefits, plus your logo is displayed on our pit displays at all our competitions & demonstrations

Titanium: \$1000

Silver benefits, plus your name or logo will be displayed on the team's 2020 t-shirts (+ t-shirt)

Gold: \$2500

Titanium benefits, plus your name or logo will be displayed on our 2020 robot, next January

Platinum: \$5000+

Gold benefits, plus your logo will be on our 2020 transport trailer, and your name announced during competitions

Thank you for your time and collaboration!

Respectfully Yours,

Red Nation Robotics
Making Robots, Building Leaders
